

Announcement of Designated Areas For Sustainable Tourism Administration

(Public Organization)

Subject: On No Gift Policy

In the Fiscal Year 2026

Designated Areas for Sustainable Tourism Administration (Public Organization) is the central organization responsible for coordinating, promoting, and supporting the integration of tourism management and administration among government organizations, state enterprises, local authorities, other government bodies, private businesses, and local communities, as well as other duties required by law, operating with good governance, honesty, ethics, transparency, and accountability.

To demonstrate its intention to promote transparency, and combating corruption & misconduct in all forms, in line with the National Reform Plan for Prevention and Suppression of Corruption and Misconduct, "Developing a transparent Thai Bureaucracy without undue Benefits," Designated Areas for Sustainable Tourism Administration (Public Organization) therefore announces the **"No Gift Policy," aspiring to be the organization which all of its executives, officers, and personnel DO NOT accept gifts and presents of any kinds in the performance of their duties, whether while, before, or after the performing of duties,** which may result in corruption and misconduct, either in the present or in the future. This announcement aims to promote honesty and strengthen transparent organizational culture rooted in integrity and sustainability.

This No Gift Policy is hereby announced for all personnel of the Designated Areas for Sustainable Tourism Administration (Public Organization) to strictly adhere to.
